CLAIM

The ornamental design for computer display with a set of icons, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a computer display with a set of icons, showing one icon of the set.

FIG. 2 is a front view of a computer display with a set of icons, showing an additional icon of the set.

FIG. 3 is a front view of a computer display with a set of icons, showing an additional icon of the set.

FIG. 4 is a front view of a computer display with a set of icons, showing an additional icon of the set.

FIG. 5 is a front view of a computer display with a set of icons, showing an additional icon of the set.

FIG. 6 is a front view of a computer display with a set of icons, showing an additional icon of the set.

FIG. 7 is a front view of a computer display with a set of icons, showing an additional icon of the set.

The broken lines showing the computer display screen area and various elements therein are for the purpose of illustrating unclaimed portions of the set of icons for a computer display and form no part of the claimed design.

The claim is directed to the collective appearance of FIGS. 1-7.
