**CLAIM**

The ornamental design for an extra-large ultra low profile cantilever, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view in an extended position of the extra-large ultra low profile cantilever.

FIG. 2 is a side view in the extended position.

FIG. 3 is a front view in the extended position.

FIG. 4 is a top view in the extended position.

FIG. 5 is a perspective view of the extra-large ultra low profile cantilever in a retracted position.

FIG. 6 is a side view in the retracted position.

FIG. 7 is a front view in the retracted position; and,

FIG. 8 is a top view in the retracted position.

The portions of the extra-large ultra low profile cantilever shown in broken lines form no part of the claimed design.
