The ornamental design for a triangular package for dispensing sheets, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the design for the triangular package for dispensing sheets, shown in a closed position.

FIG. 2 is a rear side view thereof.

FIG. 3 is a front side view thereof.

FIG. 4 is a right side view thereof.

FIG. 5 is a left side view thereof.

FIG. 6 is a bottom view thereof; and,

FIG. 7 is a top view of the design for the triangular package for dispensing sheets, shown in an open position. The speckled shading in the center of the cover represents an adhesive; the broken lines in all views of the drawing are for illustrative purposes only and form no part of the claimed design. The dot-dash lines in FIG. 7 of the drawing represent fold lines.

The shading shown in the drawings is provided merely to show contour and is not indicative of texture.
