CLAIM

The ornamental design for an emergency tool box, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of an emergency tool box showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a left side elevational view thereof;
FIG. 4 is a front elevational view thereof;
FIG. 5 is a right side elevational view thereof;
FIG. 6 is a front elevational view thereof, with the door shown rotated open to 180 degrees;
FIG. 7 is a top, front, and right side perspective view of an alternate embodiment of an emergency tool box showing my new design;
FIG. 8 is a top plan view thereof;
FIG. 9 is a left side elevational view thereof;
FIG. 10 is a front elevational view thereof;
FIG. 11 is a right side elevational view thereof; and,
FIG. 12 is a front elevational view thereof, with the door shown rotated open to 180 degrees.
