(57) **CLAIM**

The ornamental design for a computer display panel with graphical user interface comprising a group of interest rate icons for a mortgage application, as shown and described herein.

DESCRIPTION

The sole FIGURE is a front view of a computer display panel with graphical user interface comprising a group of interest rate icons for a mortgage application.

The broken lines in the drawings illustrate portions of the computer display panel that form no part of the claimed design. The brackets shown in the figures indicate a group. The elements of the groups are arranged on the drawing sheet for the convenience of illustration, and the placement of each element relative to another, or to the drawing sheet, forms no part of the claimed design.
