CLAIM

The ornamental design for a handle for a pocket knife, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a handle for a pocket knife embodying my new design the broken lines illustrating a blade which does not form a part of the design;

FIG. 2 is a view similar to FIG. 1 with the blade illustrated by broken lines in the extended position;

FIG. 3 is a side elevational view thereof;

FIG. 4 is a bottom rear perspective view thereof; and,

FIG. 5 is a bottom rear perspective view with the blade extended as illustrated by the broken lines.

The broken line portions of the drawing disclosure are for illustrative purposes only and form no part of the claimed design.
