CLAIM

The design for a road safety device, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a road safety device showing my new design, with the rear perspective view being identical thereto;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a top plan view thereof;

FIG. 4 is a right side elevational view thereof, with the left side being identical thereto;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a right side elevational view thereof, shown in a closed position.
