(57) **CLAIM**

The ornamental design for coupling element for a climbing frame for a play structure as shown and described.

**DESCRIPTION**

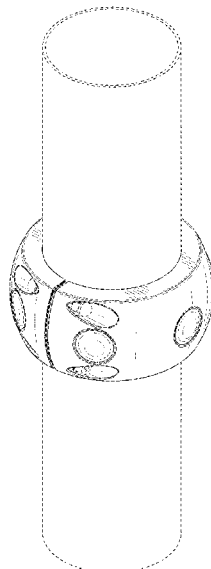

**1.1** : Perspective view.  
**1.2** : Top view, the-bottom view being identical  
**1.3** : Left view-right view being identical  
**1.4** : Front view-back view being identical  
The features shown in dashed lines in the drawings depict environmental subject matter only and portions of the coupling element for a climbing frame for a play structure, and form no part of the claimed designs.
