CLAIM

The ornamental design for a control panel for a fire truck, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view taken from above and the right of a control panel for a fire truck showing my new design;
FIG. 2 is a front elevational view thereof;
FIG. 3 is a front perspective view taken from above thereof;
FIG. 4 is a right side elevational view thereof; and,
FIG. 5 is a left side elevational view thereof.
The broken lines shown in FIGS. 1–5 are for illustrative purposes only and form no part of the claimed design.
