UNITED STATES PATENT OFFICE

DESIGN FOR A PORTABLE POWER DRIVEN TOOL UNIT

Glenn C. Wilhide, Baltimore County, Md., assignor to The Black and Decker Manufacturing Company, Towson, Md., a corporation of Maryland

Application September 28, 1940, Serial No. 95,566

Term of patent 7 years

To all whom it may concern:

Be it known that I, Glenn C. Wilhide, a citizen of the United States of America and a resident of Baltimore County, State of Maryland, have invented a new, original, and ornamental Design for a Portable Power Driven Tool Unit, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

In the drawing:

Fig. 1 is a perspective view of a portable power driven tool unit looking from the side of the same and showing my new design,

Fig. 2 is a front elevational view; and

Fig. 3 is a top plan view of the same.

I claim:

The ornamental design for a portable power driven tool unit, substantially as shown.

GLENN C. WILHIDE.
