## CHECKERBOARD

Yun Wing Gee, New York, N. Y.

Application January 27, 1954, Serial No. 28,695

Term of patent 14 years

(Cl. D34—5)

### *To all whom it may concern:*

Be it known that I, Yun Wing Gee, a citizen of the United States of America, residing at New York, in the county and State of New York, have invented a new, original, and ornamental Design for a Checkerboard, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The drawing is a plan or face view of a checkerboard embodying my new design.

The game board is of conventional thickness.

### I claim:

The ornamental design for a checkerboard, substantially as shown and described.
