DESCRIPTION

The patent or application file contains at least one color drawing. Copies of this patent or patent application publication with color drawing will be provided by the USPTO upon request and payment of the necessary fee.

FIG. 1 is a front view of a first image in a sequence for a cellular phone with animated graphical user interface showing our new design;

FIG. 2 is a front view of the second image thereof; and,

FIG. 3 is a front view of the third image thereof.

The appearance of the animated image sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another forms part of the claimed design.

The broken line showing of the cellular phone and portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.
