CLAIM

The ornamental design for a compact oval body work light, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a top side of the compact oval body work light;
FIG. 2 is a perspective view of a bottom side of the embodiment of FIG. 1;
FIG. 3 is a bottom side view of the compact oval body work light;
FIG. 4 is a first side view of the compact oval body work light;
FIG. 5 is a second side view of the compact oval body work light;
FIG. 6 is a top side view of the compact oval body work light;
FIG. 7 is a first end view of the compact oval body work light;
FIG. 8 is a second end view of the compact oval body work light.

The broken line showing is for environmental purposes only and forms no part of the claimed design.
