DES. 2215

Joseph W. Bartlett, of New York, N.Y.,  
Patent No. 2215 dated Nov 7, 1865  
Design for the standard and binnacle of a sewing machine.

The schedule referred to in these Patents Patent and making part of the same

to all whom it may concern:

Be it known that I, Joseph W. Bartlett of the City, County, and State of New York, have invented or produced a new and Original Design for the Iron Standard and Binnacle for Sewing Machines; and I do hereby declare that the following is a full and exact description thereof, reference being had to the accompanying drawings

Figure 1. is a side elevation,

" 2. is a front elevation;

" 3. is a plan of the binnacle

" 4. is a section (full size) of the standards showing their moulded or fluted form.

I claim the Design for the Standard and Binnacle for Sewing Machines, herein shown.

Witnessed, { Mr. W. Angell  
H. Plant
