[57] **CLAIM**

The ornamental design for the article divot tool with ball marker and brush, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a golf divot tool with ball marker and brush showing my new design;
 FIG. 2 is a front elevational view thereof;
 FIG. 3 is a right-side elevational view thereof, it being understood that the left-side elevational view is a mirror image thereto;
 FIG. 4 is a rear elevational view thereof;
 FIG. 5 is a top plan view thereof;
 FIG. 6 is a bottom view thereof;
 FIG. 7 is an exploded front perspective view showing the upper portion thereof separated from its central and lower portions;
 FIG. 8 is an exploded front perspective view showing the lower portion thereof separated from its central and upper portions; and,
 FIG. 9 is an exploded perspective view showing all of the separable components thereof separated from each other.
