101.

William Buck Asst. Marsh.
Sells Mink.

The Schedule annexed is a true Bill of Sale made and executed by me, of the above Creature containing a description of the Mink taken and killed by me, by virtue of the Authority vested in the Assistant Marshals for preserving Oysters and Clothing.

Dated at Irvington the Seventh day of June Anno Domini Eighteen hundred and thirty six.

Signed and delivered in presence of Wm. Buck

Schedule of a Mink taken and killed in the Bay of Newark in the County of Essex and State of New Jersey.

The Mink is a female, and is of a dark brown colour, the throat and belly of a yellowish brown colour, the hair is long and coarse, the fur short and fine, the head is small, the ears short and round, the eyes small and black, the nose sharp, the whiskers long and black, the tail is long and bushy, the feet are short and broad, the claws are long and sharp, the length of the Mink from the nose to the end of the tail is two feet two inches, the length of the tail is eight inches, the length of the hind foot is three inches and a half, the length of the fore foot is two inches and a half, the circumference of the body behind the fore legs is eleven inches, the circumference of the body before the hind legs is nine inches, the weight of the Mink is two pounds and a half.

The Mink was taken and killed by me in the Bay of Newark in the County of Essex and State of New Jersey, on the fifth day of June Anno Domini Eighteen hundred and thirty six.
