

## SUPPLEMENTARY PARTIAL EUROPEAN SEARCH REPORT

under Rule 62a and/or 63 of the European Patent Convention. This report shall be considered, for the purposes of subsequent proceedings, as the European search report

Application number:  
EP 20 92 19 06

**Classification of the application (IPC):**  
**B26B 19/38, B26B 19/42, B26B 19/48, B26B 21/40**

**Technical fields searched (IPC):**  
B26B

| DOCUMENTS CONSIDERED TO BE RELEVANT |                                                                               |                   |
|-------------------------------------|-------------------------------------------------------------------------------|-------------------|
| Category                            | Citation of document with indication, where appropriate, of relevant passages | Relevant to claim |
|                                     | No further relevant documents disclosed                                       |                   |

  

| INCOMPLETE SEARCH                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>The Search Division considers that the present application, or one or more of its claims, does/do not comply with the EPC so that only a partial search (R. 62a, 63) has been carried out.</p> <p>Claim(s) completely searchable:1-11</p> <p>Claim(s) not searched:12-15</p> <p><b>Reason for the limitation of the search:</b></p> <p><b>[0001]</b> The search has been restricted to the subject-matter indicated by the applicant in his letter of 24-10-2023 filed in reply to the invitation pursuant to Rule 62a(1) EPC.</p> <p><b>[0002]</b> The applicant's attention is drawn to the fact that the application will be further prosecuted on the basis of the subject-matter for which a search has been carried out (claims 1-11) and that the claims should be limited to that subject-matter (Rule 62a(2) EPC).</p> |

The supplementary search report has been based on the last set of claims valid and available at the start of the search.
