(57) **CLAIM**

The ornamental design for an intraoral device, as shown and described.

DESCRIPTION

FIG. **1** is a front perspective view of the intraoral device;
FIG. **2** is a left side elevational view of the intraoral device;
FIG. **3** is a right side elevational of the intraoral device;
FIG. **4** is a bottom plan view of the intraoral device;
FIG. **5** is a top plan view of the intraoral device;
FIG. **6** is a front elevational view of the intraoral device;
FIG. **7** is a rear elevational view of the intraoral illumination device;
FIG. **8** is a rear perspective view of the intraoral device; and,
FIG. **9** is another rear perspective view of the intraoral device.
Any broken lines shown in FIGS. **1-9** are included for the purpose of illustrating environmental elements only and form no part of the claimed design.
