**CLAIM**

The ornamental design for a chain ring bash guard, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a chain ring bash guard showing my new design;

FIG. 2 is a front elevation view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a side elevation view thereof; and,

FIG. 6 is a front elevation view thereof, wherein the chain ring bash guard is shown installed on a bicycle crankset. The broken line showing the bicycle crankset is provided for the purpose of illustrating environmental structure and forms no part of the claimed design.
