United States Patent Office

Des. 192,419
Patented Mar. 20, 1962

192,419

CHAIR

William H. Sullivan, Shaker Heights, Ohio, assignor to B. L. Marble Furniture Inc., Bedford, Ohio, a corporation of Ohio

Filed May 26, 1961, Ser. No. 65,366

Term of patent 14 years

(Cl. D15—1)

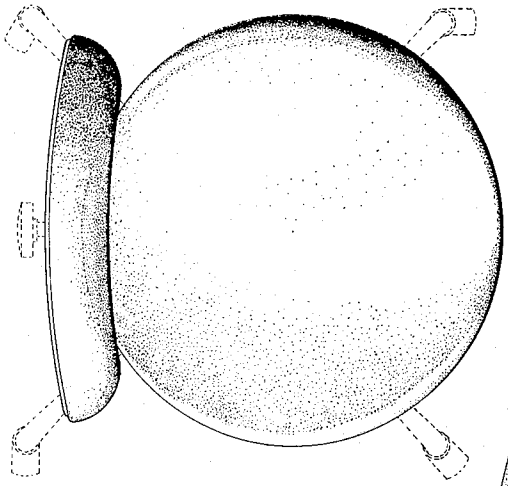

FIG. 3

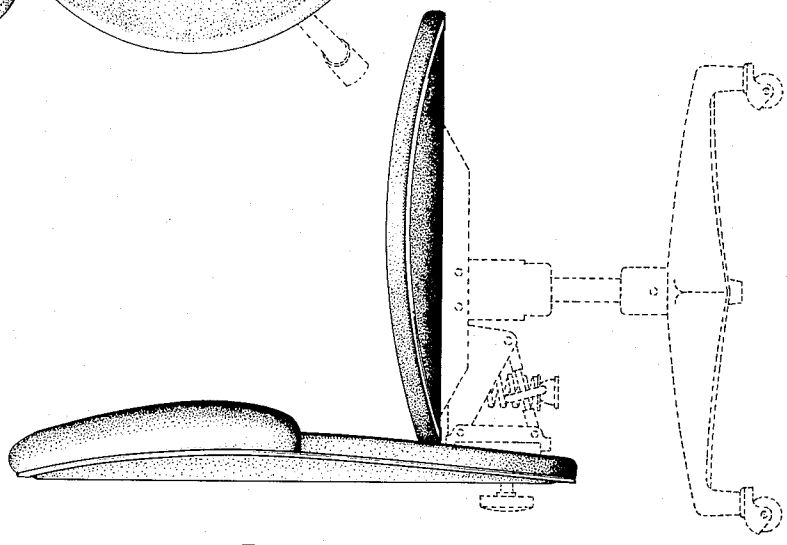

FIG. 2

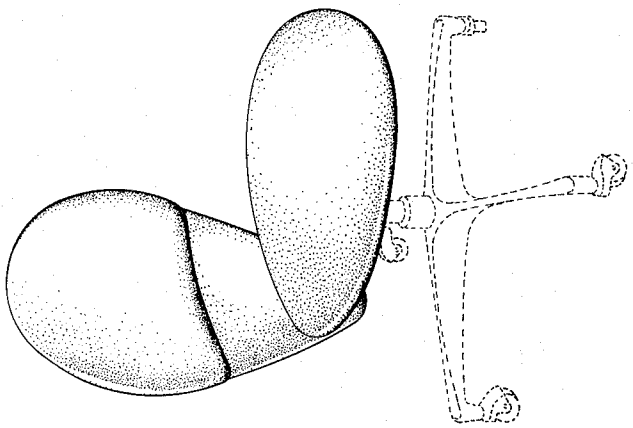

FIG. 1

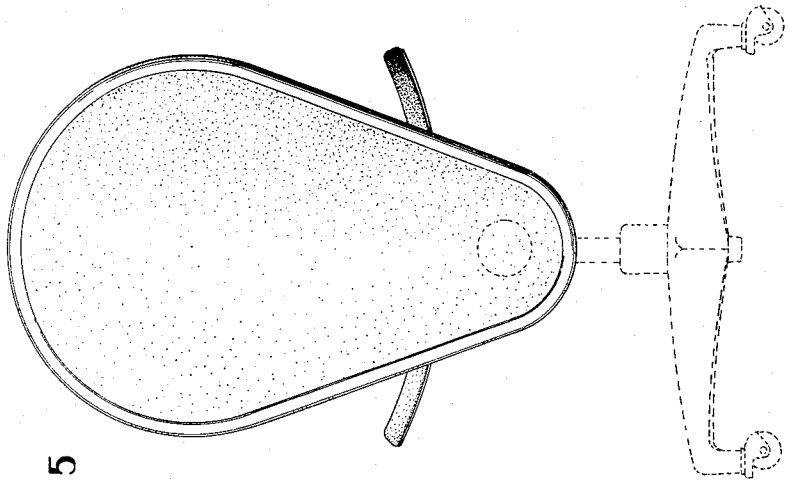

FIG. 5

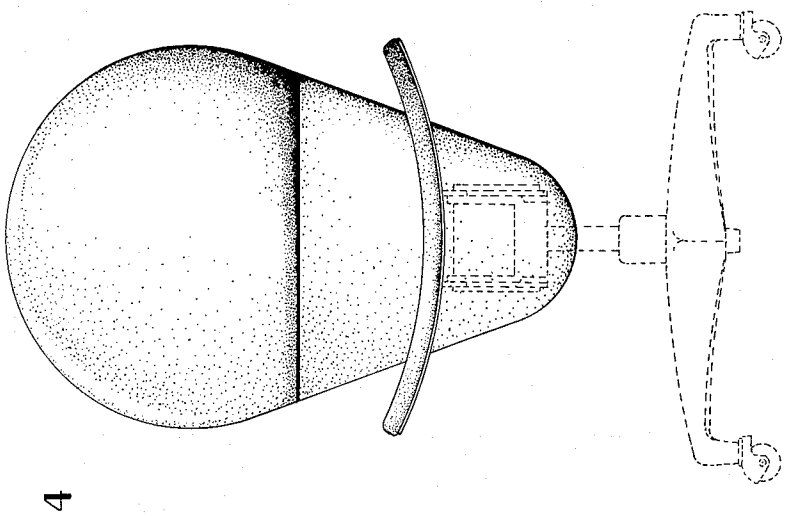

FIG. 4

FIGURE 1 is a perspective view of a chair embodying my new design;

FIGURE 2 is a side elevational view thereof;

FIGURE 3 is a top plan view thereof;

FIGURE 4 is an elevational view of the chair illustrating the seat and front surface of the back;

FIGURE 5 is an elevational view of the chair illustrating the rear surface of the back.

The dominant features of the design reside in the portions shown in full lines in the drawings.

I claim:

The ornamental design for a chair, as shown and described.
