(57) **CLAIM**

(22) Filed: **Dec. 18, 2020**

We claim the ornamental design for a aerosol generator holding sleeve, as shown and described.

(30) **Foreign Application Priority Data**

DESCRIPTION

Jun. 19, 2020 (EM) 008013163

The FIGURE is a front view of a aerosol generator holding sleeve.

(51) **LOC (14) Cl.** **27-02**

The FIGURE shows a portion of the aerosol generator holding sleeve, surrounded by dot dash broken lines, with the remainder shown in de-emphasized, reduced tonal value so as to illustrate environmental structure. The elements shown outside the dot dash broken lines form no part of the claimed design and are merely included to show environmental aspects thereof.

CPC A24F 1/30; A24F 1/02; A24F 1/00; A24F
47/008; A24F 47/002

See application file for complete search history.

The dot dash broken lines in the drawing illustrate boundary portions of aerosol generator holding sleeve that form no part of the claimed design.

(56) **References Cited**

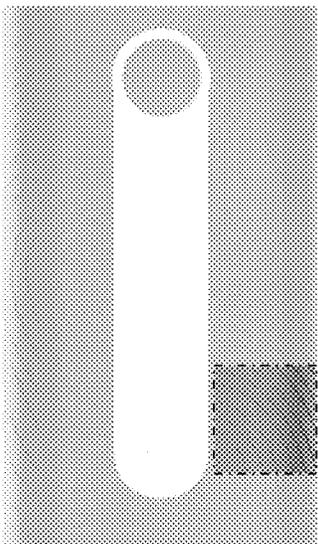

The FIGURE is illustrated to show contrasting appearance. Areas of the sleeve that appear in different shades of gray represent areas with contrasting appearances.
