# UNITED STATES PATENT OFFICE

166,173

## VALVE OR SIMILAR ARTICLE

Lewis M. Burrows, North Quincy, Mass., assignor  
to Manning, Maxwell & Moore, Incorporated,  
New York, N. Y., a corporation of New Jersey

Application May 4, 1951, Serial No. 15,069

Term of patent 14 years

(Cl. D91—3)

*To all whom it may concern:*

Be it known that I, Lewis M. Burrows, a citizen of the United States of America, residing at North Quincy, county of Norfolk, and Commonwealth of Massachusetts, have invented a new, original, and ornamental Design for a Valve or Similar Article, of which the following is a specification, reference being had to the accompanying drawings, forming a part thereof.

Fig. 1 is a front elevational view of the valve, showing my new design;

Fig. 2 is a rear elevational view thereof;

Fig. 3 is a side elevational view thereof; and

Fig. 4 is a plan view.

The dominant feature of my design resides in the portions shown in full lines.

I claim:

The ornamental design for a valve or similar article, substantially as shown and described.

LEWIS M. BURROWS.
