Albert P. Nathan.
To all whom it may concern:

Be it known that I, Ernest A. Walker, a citizen of the United States, residing at 762 Summer Avenue, Newark, in the county of Essex and State of New Jersey, have invented a new, original, and ornamental Design for an Electric Chandelier, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The figure is a side view of an electric chandelier, showing my new design.

I claim:

The ornamental design for an electric chandelier, as shown.

In witness whereof, I hereunto subscribe my name, as attested by the two subscribing witnesses.

ERNEST A. WALKER.

Witnesses:

ABE GOLDBERG,

LEONARD E. FISCHER.
Certificate of Correction.

It is hereby certified that the assignee in Design Letters Patent No. 64,880, granted June 10, 1924, upon the application of Ernest A. Walker, of Newark, New Jersey, for a Design for "An Electric Chandelier," was erroneously described and specified as "G. & O. Fixture Co., of Jersey City, New Jersey, a copartnership composed of William Goldberg and Abe Goldberg," whereas said assignee should have been described and specified as "The G. & O. Fixture Co., of Newark, New Jersey, a copartnership composed of William Goldberg and Abe Goldberg," as shown by the records of assignments in this Office; and that the said Letters Patent should be read with this correction therein that the same may conform to the record of the case in the Patent Office.

Signed and sealed this 15th day of July, A. D. 1924.

THOMAS E. ROBERTSON,
Commissioner of Patents.
