Claim

The ornamental design for a basketball stanchion display, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a basketball stanchion display, showing the new design, positioned on a basketball stanchion.

FIG. 2 is a back view of the basketball stanchion display, positioned on the basketball stanchion.

FIG. 3 is a perspective view of the basketball stanchion display.

FIG. 4 is a front view of the basketball stanchion display.

FIG. 5 is a back view of the basketball stanchion display.

FIG. 6 is a top view of the basketball stanchion display.

FIG. 7 is a bottom view of the basketball stanchion display.

FIG. 8 is a right side view of the basketball stanchion display.

FIG. 9 is a left side view of the basketball stanchion display. The broken lines depict environmental subject matter only and are not part of the claimed design.
