[57] CLAIM

The ornamental design for an educational clock apparatus, as shown and described.

DESCRIPTION

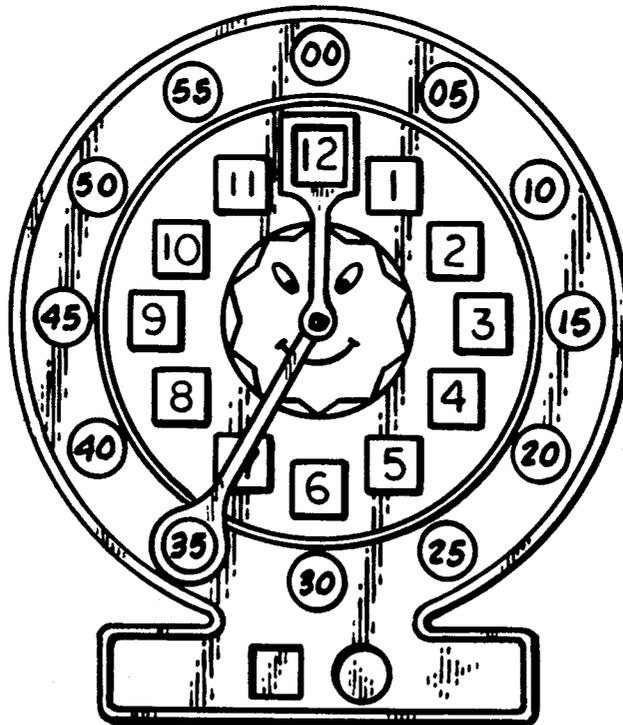

FIG. 1 is a perspective view of the educational clock apparatus showing my new design with parts thereof removed to show the design of the main body.

FIG. 2 is a front view of the same including one central theme.

FIG. 3 is a front view of the same including another central theme.

FIG. 4 is a right side view of the same. The left side view is similar.

FIG. 5 is a rear view of the same.
