(57) **CLAIM**

The ornamental design for a raised surface for a power tool clamping knob, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a top, front and left side of the raised surface for a power tool clamping knob incorporating our new design;

FIG. 2 is a front elevational view thereof;

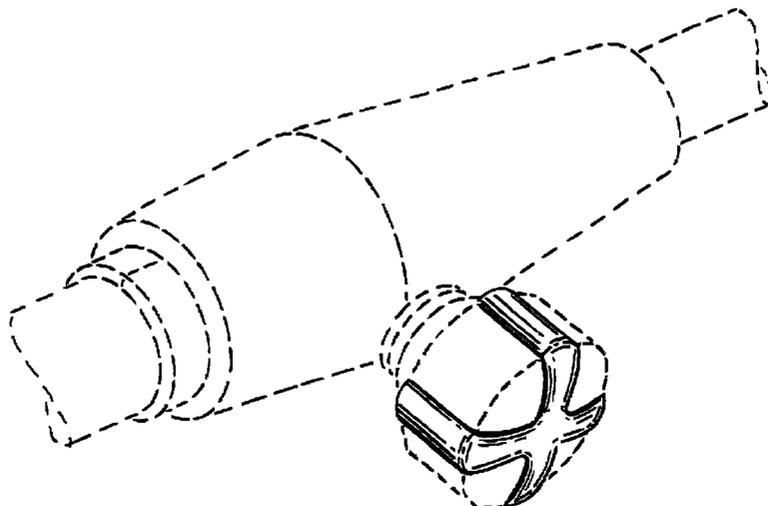

FIG. 3 is a top side plan view thereof, the bottom side being a mirror image thereof;

FIG. 4 is a right side elevational view thereof, the left side being a mirror image thereof; and,

FIG. 5 is a rear elevational view thereof.

The broken lines showing of the knob body and the power tool shafts and connecting coupling shown in FIG. 1, and the knob body shown in FIGS. 2–5 is for illustrative purposes only and forms no part of the claimed design.
