To all whom it may concern:

Be it known that I, Robert George, a citizen of Switzerland, residing at 14, Rue du 4-Septembre, Paris, in the Republic of France, have invented a new, original, and ornamental Design for a Textile Fabric, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The figure is a plan view of a textile fabric, showing my new design. A single unit of my design is substantially comprised within the area defined by the indicating lines shown on the drawing.

I claim:

The ornamental design for a textile fabric, substantially as shown and described.

Robert George.
