(57) **CLAIM**

The ornamental design for a graphic user interface for a GPS navigation device, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a graphic user interface for a GPS navigation device showing my new design; and, FIG. 2 is a front elevational view thereof. The broken lines are included for the purpose of illustrating portion of the graphic user interface for a GPS navigation device that forms no part of the claimed design. The claimed graphic user interface for a GPS navigation device is installed in a vehicle with a built in audio and video display.

1 Claim, 1 Drawing Sheet

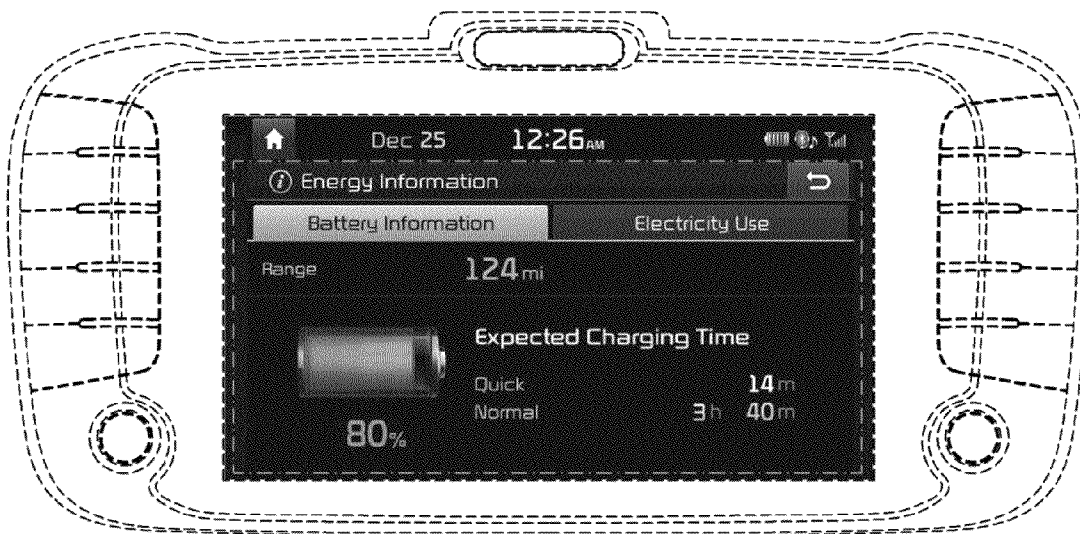

FIG. 1

FIG. 2
