## DESIGN FOR A BOTTLE OR SIMILAR ARTICLE

Philip Schwartz, Springfield, Mass.

Application February 9, 1942, Serial No. 105,724

Term of patent 14 years

*To all whom it may concern:*

Be it known that I, Philip Schwartz, a citizen of the United States, residing at Springfield, in the county of Hampden and State of Massachusetts, have invented a new, original, and ornamental Design for a Bottle or Similar Article, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

The figure is an elevational view of a bottle or similar article showing my new design.

The bottle is of circular cross section throughout and the side opposite that shown is substantially the same as that illustrated except that no panels appear thereon.

I claim:

The ornamental design for a bottle or similar article, as shown and described.

PHILIP SCHWARTZ.
