## PROTRACTOR FOR AXONOMETRIC DRAWING

Charles B. O'Connor, Arlington, Mass.

Application October 2, 1951, Serial No. 16,808

Term of patent 7 years

(Cl. D52—1)

*To all whom it may concern:*

Be it known that I, Charles B. O'Connor, a citizen of the United States, residing at Arlington, in the county of Middlesex and State of Massachusetts, have invented a new, original, and ornamental Design for a Protractor for Axonometric Drawing, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

Figure 1 is a plan view of a protractor for axonometric drawing, showing my new design.

Figure 2 is an edge view of the same.

I claim:

The ornamental design for a protractor for axonometric drawing, as shown.

CHARLES B. O'CONNOR.
