(57) **CLAIM**

The ornamental design for a mammogram marker, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a mammogram marker showing my new design;

FIG. 2 is a front view of the mammogram marker of FIG. 1, the rear being identical to the front;

FIG. 3 is a left side view of the mammogram marker of FIG. 1, the right side being identical to the left;

FIG. 4 is a top view of a second embodiment of a mammogram marker showing my new design;

FIG. 5 is a front view of the mammogram marker of FIG. 4, the rear being identical to the front; and,

FIG. 6 is a left side view of the mammogram marker of FIG. 4, the right side being identical to the left.

In all embodiments, the bottom of the mammogram marker is flat and is devoid of surface ornamentation.

The broken lines shown in the drawing figures are for illustrative purposes only and form no part of the claimed design.
