[57] **CLAIM**

We claim the ornamental design for a tool box lid, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the tool box lid of the present invention;
FIG. 2 is an end elevational view of the tool box lid;
FIG. 3 is a top elevational view of the tool box lid; and,
FIG. 4 is a side elevational view of the tool box lid.

The broken line showing the tool box in FIG. 1 is for illustrative purposed only and forms no part of the claimed design. The undisclosed bottom or underside of the lid also forms no part of the claimed design.
