COMBINED AXE AND HOOK

John G. Oake, Deer Lake, Newfoundland

Application June 23, 1949, Serial No. 3,488
In Canada December 23, 1948

Term of patent 7 years

(Cl. D22—3)

To all whom it may concern:

Be it known that I, John G. Oake, a citizen of the Dominion of Canada and resident of Deer Lake, Newfoundland, have invented a new, original, and ornamental Design for a Combined Axe and Hook, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Fig. 1 is a side elevational view of a combined axe and hook, showing my new design; and

Fig. 2 is an end view thereof, looking at the bottom end in Fig. 1.

The side of the combined axe and hook not shown has substantially the same appearance as the side shown in Fig. 1.

I claim:

The ornamental design for a combined axe and hook, substantially as shown and described.

JOHN G. OAKE.
