(54) Title: WALL HUNG SLIPCOVER HEADBOARD TO INCORPORATE ART INTO A BED

FIG. 1

(57) Abstract: A wall-mounted slipcover headboard for a bed combines comfort of an upholstered headboard with the ease of removable covers while it solves the problem of hanging art above the bed by incorporating art into the bed. The headboard has a modular, frame, a cushioning pad and a removable slipcover. For example, the removable slipcover features printed art. The headboard's back side has horizontal dowels that slide on to a hanging medium, allowing for flexibility in mounting the hanging medium in the strongest place on a wall with the least amount of damage to the wall, while allowing the headboard to slide horizontally to be centered above a bed.
