(57) **CLAIM**

The ornamental design for display panel with a computer-generated icon, as shown and described.

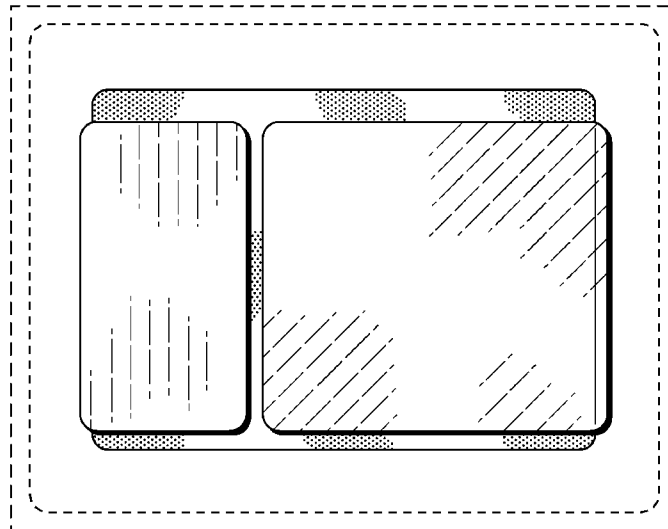

DESCRIPTION

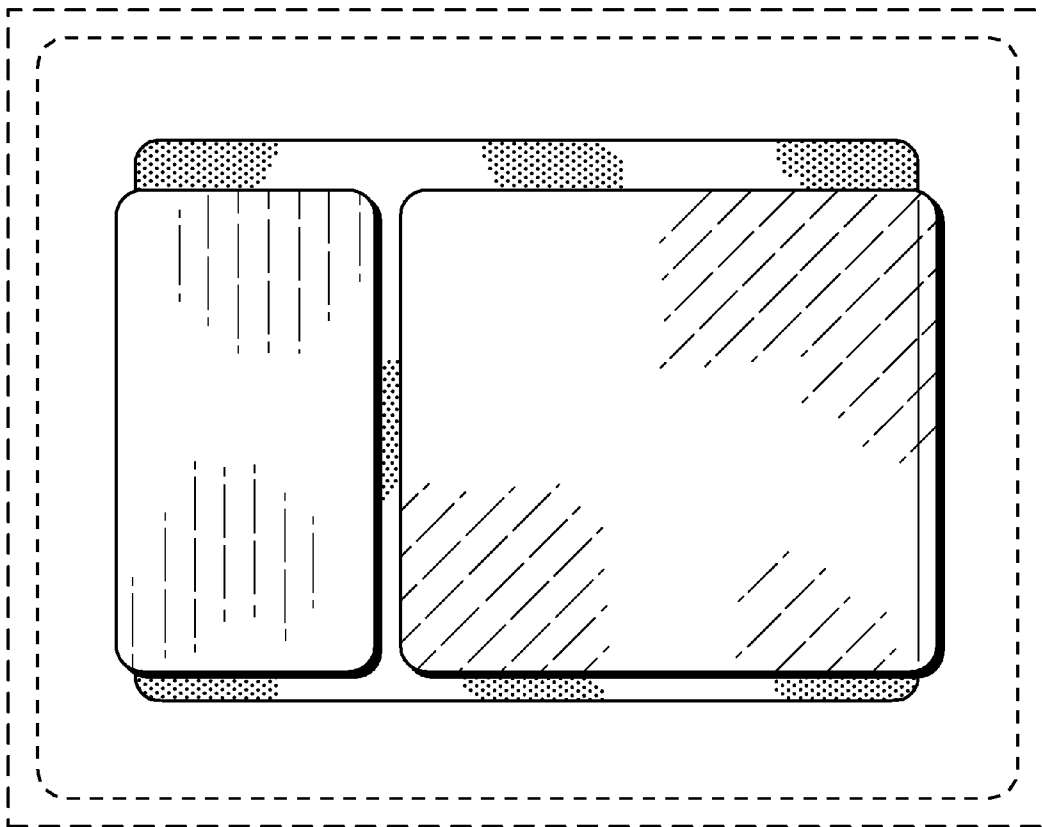

The sole FIGURE is a front view of a display panel with a computer-generated icon.

The graphic pattern of oblique lines illustrates decorative features that are part of the claimed design and are meant to portray the illusion of a translucent/transparent surface. The graphic patterns of vertical lines and stippling illustrate decorative features that are part of the claimed design and are meant to portray the illusion of contrasting surfaces.

The broken line showing of a display panel is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
