CLAIM

We claim the ornamental design for a display screen with animated graphical user interface, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material that is subject to copyright protection. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the U.S. Patent and Trademark Office patent files or records, but otherwise reserves all copyright rights whatsoever.

FIG. 1 is a first image of a display screen with animated graphical user interface;
FIG. 2 is a second image thereof; and,
FIG. 3 is a third image thereof.

The broken lines showing in a portion of a display screen, text and other elements in the Figures are for illustrative purposes only and form no part of the claimed design.

The appearance of the animated graphical user interface sequentially transitions from FIGS. 1-3 according to the embodiment. The process or period in which one image transitions to another forms no part of the claimed design.
