(57) **CLAIM**

The ornamental design for a display screen with transitional graphical user interface, as shown and described.
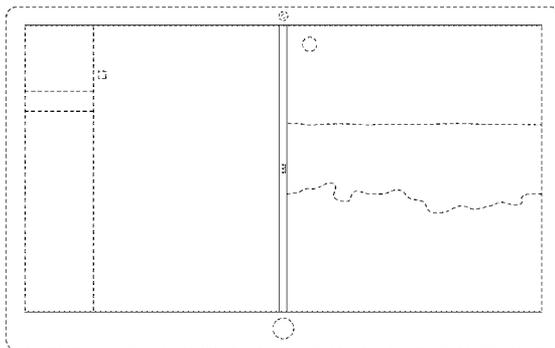

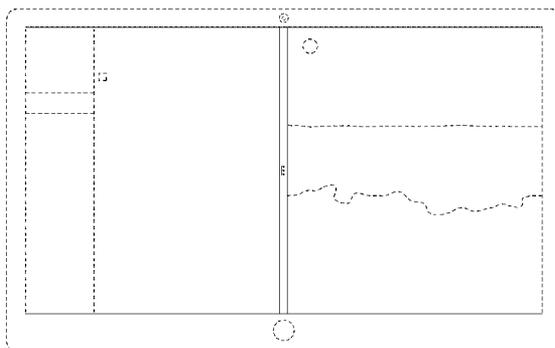

DESCRIPTION

FIG. 1 is the first image in a sequence for a display screen with transitional graphical user interface showing the new design; and,

FIG. 2 is the second image thereof.

The broken line showing of portions of the graphical user interface illustrates portions of the graphical user interface which form no part of the claimed design. The broken line showing of portions of the display screen illustrates the environment of the claimed design and forms no part thereof. The appearance of the image transitions sequentially between the images shown in FIGS. 1-2. The process or period in which an image transitions to another forms no part of the claimed design.
