(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen with graphical user interface showing our new design.

The areas within the unclaimed dot dash dot broken lines form no part of the claimed design. The claim is directed to the solid lines in the drawing. The dotted broken lines showing the remainder of the display screen with graphical user interface are for environmental purposes only and form no part of the claimed design.
