**Further documents are listed in the continuation of Box C.**

**See patent family annex.**

* Category: *A* document defining the general state of the art which is not considered to be of particular relevance

* Category: *E* earlier document but published on or after the international filing date

* Category: *L* document which may throw doubt on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)

* Category: *O* document referring to an oral disclosure, use, exhibition or other means

* Category: *P* document published prior to the international filing date but later than the priority date claimed

**T** later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention

**X** document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone

**Y** document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in this art.

**X** document member of the same patent family
