UNITED STATES PATENT OFFICE

104,863

DESIGN FOR A MOUNTING FOR RINGS

John E. Lemmon, St. Albans, N. Y., assignor to
J. R. Wood & Sons, Inc., Brooklyn, N. Y., a
corporation of New York

Application July 17, 1936, Serial No. 63,913

Term of patent 14 years

To all whom it may concern:

Be it known that I, John E. Lemmon, a citizen of the United States, residing at St. Albans, in the county of Queens and State of New York, have invented a new, original, and ornamental Design for a Mounting for Rings, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof;

Fig. 1 is a side elevation of my improved mounting;

Fig. 2 is an end elevation of the mounting as shown in Fig. 1; and

Fig. 3 is a fragmentary top or plan view.

The dominant feature of my design resides in the top portion of the setting consisting of a plurality of radially extending grooves in the form of a sunburst.

I claim:

The ornamental design for a mounting for rings as shown and described.

JOHN E. LEMMON.
