(57) **CLAIM**

The ornamental design for a sprocket with double mud relief, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a sprocket with double mud relief showing our new design;
FIG. 2 is an edge view of the sprocket shown in FIG. 1;
FIG. 3 is a front top left perspective view of the sprocket shown in FIG. 1; and,
FIG. 4 is a second front top left perspective view at a different angle than the view of FIG. 3.
The broken lines indicate unclaimed portions and form no part of the claimed design.

1 Claim, 7 Drawing Sheets

Matter enclosed in heavy brackets [] appears in the original patent but forms no part of this reissue; matter printed in italics indicates the additions made by reissue.
