CLAIM

The ornamental design of a coupling for a lanyard, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the top, one side and one end of a coupling for a lanyard showing my new design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is an elevational plan view taken from the end opposite that shown in FIG. 1; and
FIG. 4 is an elevational view taken from the side shown in FIG. 1, the opposite side being a mirror image of the side shown.
