Web page from webclothes.com/children showing children’s outfit with removable mittens and booties (3 pages).

CLAIM

The ornamental design for a detachable bootie and garment, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a detachable bootie and garment showing my new design;
FIG. 2 is a front perspective view thereof showing the booties detached from the garment;
FIG. 3 is a rear perspective view thereof showing the booties attached to the garment;
FIG. 4 is a rear perspective view thereof showing the booties detached from the garment;
FIG. 5 is a fragmentary view, showing a lower portion of the garment and bootie;
FIG. 6 is an enlarged fragmentary, top plan view of the detachable bootie; and,
FIG. 7 is an enlarged fragmentary, bottom plan view thereof;
The broken lines in the views show environmental features which are for illustrative purposes only and form no part of the claimed invention.
