CLAIM

The ornamental design for a female keyed lamp plug, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a female keyed lamp plug according to the invention.
FIG. 2 is a front view of the female keyed lamp plug of FIG. 1.
FIG. 3 is a top view of the female keyed lamp plug of FIG. 1.
FIG. 4 is a bottom view of the female keyed lamp plug of FIG. 1.
FIG. 5 is a left side view of the female keyed lamp plug of FIG. 1. The right side view is identical to the left side view; and,
FIG. 6 is a rear view of the female keyed lamp plug of FIG. 1.
The broken line portion of the figure drawings is included to show portions of the article that forms no part of the claimed design. The female keyed lamp plug is shown in broken line its length, represented by a curved broken line. The appearance of any portion of the article beyond the broken lines forms no part of the claimed design.
This design is directed to a female keyed lamp plug for electrical devices.
