See application file for complete search history.

(57) **CLAIM**

The ornamental design for a surface portion of a pool or spa, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing/ photograph executed in color. Copies this patent or patent application publication with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE shows a plan view of a surface portion of a pool or spa. The starbursts are highly reflective portions of the surface.

The dash-dot-dash broken lines in the FIGURE is unclaimed boundary surrounding the claimed design. The areas of the surface portion of the pool or spa outside of the boundary line forms no part of the claimed design.
