CLAIM

The ornamental design for a portion of a display screen showing a transitional icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first image of a portion of a display screen showing a transitional icon having the new design; and,

FIG. 2 is a front view of a second image thereof.

The appearance of the design transitions between the images shown in FIG. 1-2. The process or period in which the design transitions among the Figures forms no part of the claimed design. The broken line drawing of a portion of a display screen is for illustrative purposes only and forms no part of the claimed design.
