**Claim:**

The ornamental design for a combined spoon and spatula, as shown and described.

**Description:**

FIG. 1 is a top and side perspective view of a combined spoon and spatula, showing our new design in an assembled state with the handles unfolded;

FIG. 2 is a bottom view thereof;

FIG. 3 is a side view thereof;

FIG. 4 is an opposite side view thereof;

FIG. 5 is a top view thereof;

FIG. 6 is an enlarged rear view thereof;

FIG. 7 is an enlarged front view thereof;

FIG. 8 is a top perspective view of the combined spoon and spatula in a disassembled state with the handles unfolded; and

FIG. 9 is a top perspective view thereof with the handles folded.

The portions shown in broken lines show environmental structure only and form no part of the claimed design.
