(57) **CLAIM**

The ornamental design for a light emitting diode, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a light emitting diode showing the claimed design;

FIG. **2** is another perspective view thereof;

FIG. **3** is a front elevational view thereof;

FIG. **4** is a rear side elevational view thereof;

FIG. **5** is a left side elevational view thereof;

FIG. **6** is a right side elevational view thereof;

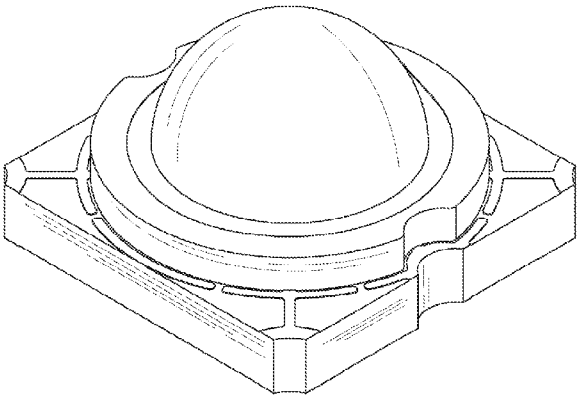

FIG. **7** is a top plan view thereof;

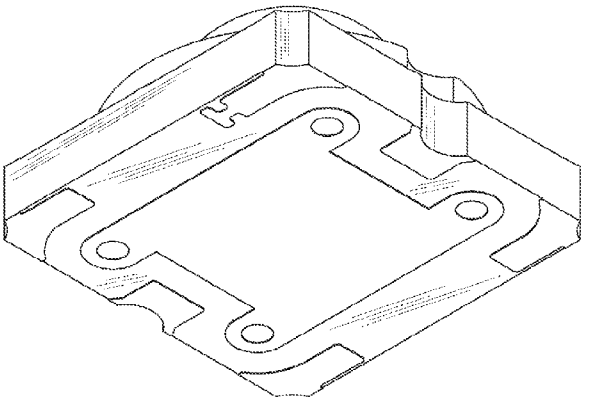

FIG. **8** is a bottom plan view thereof; and,

FIG. **9** is a reference view showing the visible inner structure through the dome-like light transmissible portion which is translucent or transparent.

The dome-like light-transmissible portion of the design is made of light-transmissible material, which can be (e.g., frosted), translucent, or transparent. The broken lines are directed to environmental features and are for illustrative purpose only; the broken lines form no part of the claimed design.
