[57] **CLAIM**

The ornamental design for a charger for a portable radio telephone, as shown and described.

DESCRIPTION

FIG. **1** is a front, top and right side perspective view of a charger for a portable radio telephone showing my new design;

FIG. **2** is a front elevational view thereof;

FIG. **3** is a top plan elevational view thereof;

FIG. **4** is a rear elevational view thereof;

FIG. **5** is a bottom plan view thereof;

FIG. **6** is a left side elevational view thereof;

FIG. **7** is a right side elevational view thereof;

FIG. **8** is a sectional view taken on line VIII—VIII in FIG. **2** with a interior construction omitted; and

FIG. **9** is a left side elevational view thereof depicting in broken lines a portable radio telephone positioned therein for incurring a charge.

The broken line showing of a portable radio telephone is for illustrative purposes only and forms no part of the claimed design.
