(57) **CLAIM**

The ornamental design for an arched cell culture flask, as shown and described.

DESCRIPTION

FIG. 1 is a side view of an arched cell culture flask having an angled and arched face.

FIG. 2 is a side view of the arched cell culture flask showing a side having a flat face.

FIG. 3 is a top view of the arched cell culture flask showing an angled neck of the flask.

FIG. 4 is a bottom view of the arched cell culture flask.

FIG. 5 is a side view of the flask apparatus showing the angled neck of the arched cell culture flask.

FIG. 6 is another side view of the arched cell culture flask showing the angled neck of the flask apparatus.

FIG. 7 is a perspective view of the arched cell culture flask showing the angled and arched face of the flask apparatus.

FIG. 8 is another perspective view of the arched cell culture flask showing the angled and arched face of the flask apparatus.

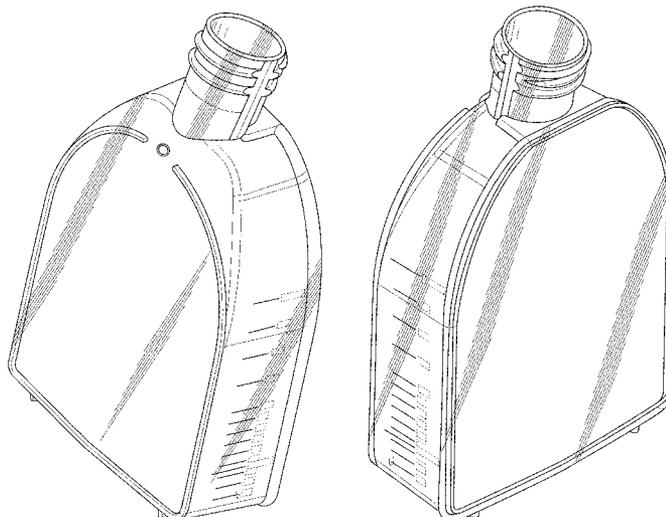

FIG. 9 is a perspective view of the arched cell culture flask showing the flat face of the flask apparatus.

FIG. 10 is another perspective view of the arched cell culture flask showing the flat face of the flask apparatus; and,

FIG. 11 is a perspective view of an arched cell culture flask illustrating that the flask apparatus may comprise volume indicia.

Broken lines are used in the drawings to illustrate portions of the arched cell culture flask that form no part of the claimed design.
